Greetings and welcome Honourable Ambassador Arikana Chihombori-Quao, to the beautiful island of Jamaica. We the members of the Woman Freedom Liberation League (WFL) of the Ethiopia Africa Black International Congress (E.A.B.I.C.) Church of Salvation, greet you in One Perfect Black Heart of Love. We take this opportunity to congratulate and give our wholehearted support to you, as you have been a prominent leader in the fight for equality and justice for all African sons and daughters, on the Continent and in the Diaspora.

Your distinguished service and focus on the economic and social impacts of colonialism and the Trans-Atlantic slave trade resonates with us, the members of the EABIC, as our Leader, the Right Honorable King Emmanuel Charles Edwards, came to carry on the works of the Honorable Marcus Mosiah Garvey, in agitating for the return of every man and woman to their own Vine and Fig tree. Our only development is Freedom, Redemption, and International Repatriation with Compensation. We recognize that all of Africa's children must return home.

Ambassador Dr. Arikana Chihombori-Quao, we look forward to seeing you continue your distinguished administration and act in solidarity with like-minded friends and allies internationally and to participate meaningfully, in fulfilling this Divine Right, that we may stand by each other's side and take our rightful place on the world stage and speak with one voice, one Continent, one redeemed Africa. May your good works continue to light the path to Freedom, Redemption, and International Repatriation of All of us. A remnant was taken away and only until that remnant is returned will Africa see its Glory.

We Salute you and close with seven words of love; "God is Love, Let us all Love".
