Blessed Love, My Lord and Empress, Prince and Princess,

To the work! to the work! We are servants of God, let us follow the path that our Master has trod: With the balm of His counsel our strength to renew, Let us do with our might what our hands find to do.

We pray these few words find you in good health in Righteousness of Salvation. Give thanks for life, health and strength and the Mighty Life-giver, our Mighty Three-in-one and One-in-three, our Prophet, Priest and King. Holy Emmanuel I Selassie I Jah Rastafari!

The purpose of this letter is to inform all Royal Ethiopian sons and daughters, members of our Ethiopia Africa Black International Congress Church of Salvation, of the work that His Majesty's Royal Parliament has been doing on their behalf. In compliance with the mandate of our Father, the Most Right Honorable King Emmanuel Charles Edwards, and as stated in the Constitution of the E.A.B.I.C., the Parliament has been spearheading the effort to fulfil our fundamental Freedom, Redemption and International Repatriation.

King Emmanuel, our worthy Founder, Leader, President, God and King, left the instructions that his headquarters should be established in Ghana, formerly known as the Gold Coast. The time to do it is now! Therefore, the Parliament is working on a program to manifest the Lord's command but making this a reality demands that every loyal member take an active part in this universal effort.

In order to achieve this, coordination and organization are of paramount importance. This is why the Parliament is establishing an international database of all official members of the E.A.B.I.C., as this will allow us to better utilize skills and assets, individual and collective. For instance, committees can be set up as they are needed. This will also help us be more efficient in disseminating information. The data collected has no other purpose and will be kept private. Please note that this is not a registration form, only for present members.

Therefore, we kindly ask you to fill in the attached database form. This can be done in several ways. The first way is to print out the form and fill it in manually. The second way is to fill it in on an electronic device (computer, smartphone or tablet) and sign either electronically or manually. Filled in forms can be addressed to the person who is in charge of this task in your region. If this is not possible, forms should be sent to the Parliament at the following email address: info@eabic.org. Once again, we would like to emphasize that all information transmitted will remain confidential. The greatest resource a nation has is its people. Let us then rally around this fundamental objective to safeguard and develop Bobo Shanty culture and tradition under our creational banners of the Red, Black and Green, the Red, Gold and Green, with the Black five-point star, the R and the Lion symbol.

Beside the database, the Parliament has determined that a start-up capital of \$ 75,000 would be necessary to establish our headquarters in Ghana. To reach this goal, we have set up a t-shirt business. If you are interested in acquiring such, retail or wholesale, contact us at (info@eabic.org). Hoodies will also be shortly available. Voluntary contributions are also welcome. Once again, the success of the King's mission depends on all of us. United we stand Divided we fall. Let us therefore unite, now and now!
We leave you with seven words of love: **God Is Love, Let Us All Love.**
