

MARCH 1ST 2019 COMEMORATES THE 61ST
ANNIVERSARY OF THE FOUNDING OF
THE E.A.B.I.C. CHURCH OF SALVATION

Blessing abound where're he reigns, the prisoner leaps to lose his chains, the weary find eternal rest and all the sons and daughters of wants are blest. Holy Emmanuel I Selassie I Jah Rastafari!

Give thanks for our Congress now 61 years of agitating for our only development here in the west of Freedom Redemption International Repatriation with Reparations for all Royal Black Ethiopian sons and daughters {African, Black people} at home and abroad universally Internationally, through Human Rights and Human Justice.

Echoing the voice of our Worthy Founder, Leader, President, God and King. The Most Rt. Hon. King Emmanuel Charles Edwards. The Lord servant, our Redeemer, The Black Christ in flesh.

Press along saints, press along in Jah own way, persecution we must bear, trial and crosses in our way; But the hotter the battle the sweeter the victory. As we are confident in the victory of good over evil, we are calling for a Universal Unity among ourselves within the Black Christ work of Salvation.

With the guidance of the The Most High voice to his Parliament and his people, we will achieve our goal of Black Liberation. The 5th Kingdom of Jesus Christ stands for Equal Rights and Justice for one and all. Holy Emmanuel I Selassie I Jah Rastafari.

We close with seven words of love; God is love, let us all love.

King Emmanuel the 7, Adoni God, Jah Rastafari!!!
