## 2018 Conference Reasoning Invitation

**Blessed love to the Royal House of King David; Black Ethiopian Sons and Daughters, universally and internationally. We bless you in the name of our Prophet, Priest and King; King Alpha and Queen Omega. Holy Emmanuel I, Selassie I, Jah Rastafari!!!**

We the **Royal Black Ethiopian Sons and Daughters of the Ethiopia Africa Black International Congress [E.A.B.I.C.] Church of True Divine Salvation;** Ethiopia Royal Nation Wealth Kingdom, extend our heartfelt invitation to all our bonafide members, our royal family and congregation of Prophets, Priests, and Empresses to attend this very important and critical conference reasoning seminar, to take place on the 1st of March 2018, at our Headquarters 10 miles Bull Bay St. Andrew Jamaica W.I.

The purpose of this conference is to; **bring forth rectification to the E.A.B.I. C's Governmental, Parliament, Churchical and Statical operations and functions universally and internationally and the assembling of a competent and committed Cabinet/Parliament,** to responsibly manage the internal and external affairs of our Congress. This is undoubtedly an agenda for all of us to advance with truths and rights, to promote, to concretize and to execute. We are urging that all members at home and abroad, to come aboard this restoration-ship and participate meaningfully on the journey for Freedom, Redemption, International Repatriation

with Reparation.

This Issue is bigger than all of us, it is huge; it is a fundamental defining moment of our Congress which no one ought to trivialize. Therefore the hearts and voices of reason, faith and conscience must be heard to successfully address our problems. We request the full cooperation and assistance from each camp, church and office, and notification of attending delegates must be submitted in writing or emailed to [info@eabic.org] As Soon As Possible [ASAP], so that the proper arrangements can be made to accommodate all attending delegates to the best of our capability.

The recent destruction of several infrastructure at the camp[HQ] had caused a major setback. In the face of extensive atrocity perpetrated against us, it's our basic duty to act in solidarity with each other nationally and internationally, and in concert with the faithful few, so as to fortify our strengths and possibilities moving forward. The evil forces and the criminal elements have found the unpatriotic and disloyal amongst us to be used, misused and manipulated in their efforts to derail us from the straight and narrow path that our Master has trod. We must be on guard to resist those who act, in whatever guise, contrary to the congress aims and objectives.

The urgency and importance of this conference should not be taken lightly. We urge all E.A.B.I.C members to evaluate, assess and recognize the seriousness of such a seminar and give their full support, spiritually, physically and financially. Due to the setback caused by the fire, there will not be sufficient housing accommodations for all the delegates. Those of us who can furnish **tents to accommodate four or more people, solar lamps, lanterns and flashlights, will be an appreciated alternative solution to this problem.** Please label your packages; **(E.A.B.I.C Church Relief)** to ease taxes and fees. Salvation belongeth unto God, thy blessings is upon thy people; Selah Selassie I, Jah Ras Tafari.

The expenses for this conference with the proper and adequate provisions and accommodations is extremely high. Since there are no available financial resources in the government's budget, it is left up to the E.A.B.I.C. members to finance this Conference, which is of Paramount Importance. Financial pledges could be made through each camp, church or office, as well as from individual members.

With the balm of Jah council our strength to renew; Let us do with our might what our hands find to do; Toil on Brethrens, Toil on Sisters, let us work, let us watch and pray, and labor till our Master come; Freedom, Redemption, International Repatriation through one-man voice and power; Holy Emmanuel I, Selassie I, Jah Rastafari. We look forward to a successful conference; Each of us has a vital role to fulfil. We close with seven words of love; **God is Love Let Us All Love.**

PS; For prompt communications; please address all responses including Questions, Comments, Contributions etc.; To [ [info@eabic.org](mailto:info@eabic.org)].

**NB. SECURITY PARAMOUNT IMPORTANCE;**

Be it known that our efforts being made to solve the security problems for this seminar in and around the Head Quarters, via the Government of Jamaica [Min. of security, Comm. of police and the Brigadier general], at this moment has not yet been assured. However the Inspector for the local bull Bay police department has given a word of commitment towards providing security. In these circumstances we must employ a private security component as an alternative and also a reinforcement to alleviate this security problem.

It is therefore to be ardently hoped, that we the congress members, in the midst of the strife and turmoil, will bear the responsibility, rise to the challenge in a collective and united effort, pool our resources and make a significant contribution towards guaranteeing our safety and security and not suffer the inevitable consequences of our refusal to accept the reality of the ills which are the root and cause of many other problems.
