Re: Violation of the Constitution

Isaiah 59

1. *Surely the arm of the LORD is not too short to save, nor his ear too dull to hear.*
2. *But your iniquities have separated you from your God; your sins have hidden his face from you, so that he will not hear.*
3. *For your hands are stained with blood, your fingers with guilt. Your lips have spoken lies, and your tongue mutters wicked things.*
4. *No one calls for justice; no one pleads his case with integrity. They rely on empty arguments and speak lies; they conceive trouble and give birth to evil.*
5. *They hatch the eggs of vipers and spin a spider's web. Whoever eats their eggs will die, and when one is broken, an adder is hatched.*
6. *Their cobwebs are useless for clothing; they cannot cover themselves with what they make. Their deeds are evil deeds, and acts of violence are in their hands.*
7. *Their feet rush into sin; they are swift to shed innocent blood. Their thoughts are evil thoughts; ruin and destruction mark their ways.*

Blessed Love, My Lord and Empress,

This is a proclamation coming out of the Office of the Head Quarters to all royal sons and daughters who show loyalty and support to the principles and Constitution of the Ethiopia Africa Black International Congress Church of Salvation.

In violation of our Constitution, a group of turban brethren headed by Priest Dougie, Prophet Daniel, Priest Lamont and Priest Tooth are trying wholeheartedly to usurp and undermine our Congress and Parliament of our Almighty God and King, the Right Hon. King Emmanuel Charles Edwards, in an attempted illegal seizure of power, a coup d'état.

This, therefore, is a declaration from the appointed members of the Parliament and the congregation at large worldwide Internationally. The Congress is a sovereign entity and it is the prerogative and responsibility of the Parliament, which governs all actions of the Congress, to make a resounding response to such atrocities and to take all necessary action against perpetrators of such acts.

We are bound and directed by the Constitution that serves the needs and operations of our Congress. Our President, THE MOST RT. HON. KING EMMANUEL CHARLES EDWARDS, has put in place the Parliament consisting of 32 members that includes representation from the Empress league. Our Royal Parliament is mandated to carry out the governmental administration of our Congress.

The Black Christ Salvation is the foundation of our beloved Congress, not miseducation. We all came to the master and were accepting of His statues and commandments. He bestowed upon us our various Offices, but after His transition, voices of opposition seem to rise up in condemnation of his protocol and mandate. Our questions then is; why

did they not confront His Majesty Himself? Was it maybe a lack of not being able to stand up manfully in the right? Who are we disrespecting? Is it his principles or is it the Man Himself? Enquiring minds would love to know.

In conclusion, anyone found supporting, aiding, or abetting this attempted hostile takeover is guilty of this treasonous act to undermine and oppose our Congress.

From the office of the Head Quarters,
through the voice of the Parliament
