## Open Statement From The Parliament To All Congress Members Universally

BLESSED LOVE ROYAL HOUSE,

This is a sincere statement from the office of the parliament as approved by our worthy, founder leader president God and King, King Emmanuel Charles Edwards the Lords servant to bring clarity and understanding to our E.A.B.I.C. members of the black Christ kingdom, who would desire to see the E.A.B.I.C. Church of Salvation function to full capacity of a right, and to us who have the heart's desire to move forward in the right direction fulfilling our Fathers' words and works constitutionally.

Before any written constitution, we the honorable members of the congress abide by all principles laws and commandments as given by our Father, the Law Giver, the standard bearer of living divinity. We need to, and should continue in the same way to find back the first love of such salvation foundationally, for the upliftment of ourselves and our congress spiritually and temporally. We glorify all

obedient sons and daughters within the black Christ salvation who see themselves and know themselves to be the true Gods and Goddesses of the earth. And give thanks also for all virtuous and royal leading empress, woman of right who stand to redeem the world of black woman to the right of themselves, through working with and living to the **21 days' purification principle** and all other principles, thus building themselves to the true divine humbleness and integrity of a goddess in flesh.

However, our father left us with an agenda which must be carried out through his **royal cabinet and parliament**, to fulfill his divine mission of **Freedom Redemption International Repatriation with Reparations** through Black Supremacy in Righteousness of Salvation. For in the Black Christ Kingdom; King Emmanuel's Government, **there's no heir to Jah Throne**. The ground work and the foundation have already been laid, we don't need to create anything new but just follow the path that our master has trod. So, if we are to move forward in the right direction we must move forward with the program and agenda that our Father left with us.

Therefore, we must first put our house in order universally, beginning at our **E.A.B.I.C. Head Quarters Foundation 10 miles Bull Bay St. Andrews Jamaica**. The E.A.B.I.C. cannot function properly without the head; who is King Emmanuel, none before and none after; who is his royal cabinet, the upper chamber and backbone of his parliament; who interprets the constitution (which is the voice of our Father), the one and only black Christ, black dictator of human rights /human justice. So, there's no need for people outside of the congress to try interpret for us, no matter how bright they may be in the world, they don't live to our principles, laws and commandments and we will not allow them to interpret for us what we live.

Since our father made his move, the none adherence to the principles and constitution has brought the congress everywhere in disarray. "A nation without principle is an unruly one that would turn fruitfulness into barrenness, likewise a principle and righteous nation would turn barrenness to fruitfulness". Righteousness exalts a nation. In moving forward, we need to get back to the agenda that our father have set, which includes the Africa Mission to be rectified

and completed by continuing setting up of Head Quarters in Africa starting in Ghana as our feet have already been planted there.

In moving forward, we need to recognize and respect the power and authority of Jah Royal Cabinet and parliament which is to say that anything and everything, before it becomes officially E.A.B.I.C., must be signed and seen through the eyes of **His Majesty the black Christ who is his Royal Cabinet and Parliament**. If things are not done this way it would be deemed illegal and unconstitutional, thus perpetuating and prolonging the chaos that is reaching us right now.

If we are to restore and preserve what our father has set for us, then we must have the authority and courage to speak and act when defending Jah Truth and Rights. Also, the vigilance to see and to know that no folly, illegally and unconstitutionally does not go undetected and unremedied. Such as ones who form groups and organizations under the banner of the E.A.B.I.C. within or without the camp, which is treason. Ones who appoints ambassadors and priesthoods without the parliaments' consent, those who join organizations with politicians and bearing the congress name, also those who support miscegenation and reggae is illegal and unconstitutional, just to name a few. For there is a variety of wrong/right that have manifested itself and it seems as if that is what the congress stands for, and is causing the youths to stray from the true order. All these things need to be rectified moving forward.

However, not because few parliament members have passed, a few have turned aside and some are not present on the foundation at this moment, means that God Almighty Cabinet and Parliament does not exist. Such perception that is published by foolish people is what promotes more chaos and confusion. In Christ Kingdom, there are several committees, and apart from those who are assigned to a specific committee, everyone in themselves, man and woman is a committee, because everyone has the responsibility to see Christ Kingdom run right in its' true order.

Now that our parliament is convened through weekly parliamentary conferences, the number of parliament members we had was 22, along with 2 leading empresses. However, after given their consent that they were willing and ready to do Gods' work, a few have decided to draw aside and create so called

eabic groups and organizations. Yet as they hear the cry for the parliament, they make no mention of what they knew and declared not amongst the people our doings. We marvel not when we see the spirit of opposition being manifested, because some people have their own personal agenda, and to accommodate it, they will sabotage and despise divine leadership, thus causing division amongst us. A true case of wheat and tears growing together.

We the royal cabinet and parliament of His Majesty see and know and bear witness of the suffering and the struggles our Farther had to endure even from his very own. So, we will not allow his work to go in vain. What we the Cabinet and Parliament of king Emmanuel would love to make very clear to all loyal members of the E.A.B.I.C., is that there is no heir to King Emmanuel Throne. Anyone supporting such an idea is in opposition to Christ Government and is also saying that Christ is dead. **King Emmanuel is the Parliament and the Parliament is King Emmanuel.** All glory be to the THREE in One and the One in THREE. HOLY EMMANUEL I SELLESSIE I JAH RAS TAFARI.

This parliament is moving forward, steadfastly and constitutionally focus on our Fathers' agenda and none can stop us because we cannot be stopped. So, we are calling upon the faithful and loyal members to strengthen the black Christ agenda. Unity is strength and one hand washes the other. Knowing that this work is bigger than us all and it could not only be upon the shoulders of a few. So, all members must participate meaningfully and do with their might what their hands find to do. Let us watch and prayer and labor till our master come. Freedom Redemption International Repatriation!

Give thanks for all legitimate ambassadors appointed by the E.A.B.I.C. who is also working along with us to see our fathers works put through in an upright manner. Knowing that the parliament empowers all ambassadors and give them assignments with directions to fulfill an agenda. They must also report to the parliament and not the parliament to them. They must also function in one accord and understanding with the parliament. Give thanks for the relentless efforts of those who work and are still working to see the cabinet and parliament function in its' full capacity. For it has been the long-standing desire of many of us to see the House of God come forward to its' rightful order. Give thanks for all conferences held and are still being held for the upliftment of the E.A.B.I.C.

On this 60th Anniversary of the congress, we acknowledge now that an international reasoning is of crucial importance for the E.A.B.I.C. church of salvation to reach our goal. We are looking forward to bringing up the parliament to the full 33-man capacity, in our efforts to solve the many outstanding issues facing us and to bring stability to our congress. We will continue to have and support international reasoning conference seminar and will offer our information and recommendations from time to time as we move forward to secure proper and successful sessions and events. For further clarity and information go to (**[www.eabic.org](http://www.eabic.org)**) May God Almighty bless and strengthen all royal black sons and daughters to continue on the right path of true devine salvation. We close with seven words of love **God is love let us all love.**
