Blessed Love to the Royal members of the Ethiopia Africa Black International Congress True Divine Church of Salvation (EABICCS). Celebrating the life of a prominent member of our Black Congress Church and Government the Hon. Empress Sharon Kelly- Stair.

TRIBUTE TO THE LIFE AND PRECIOUS TIME SPENT WITH HON. EMPRESS SHARON KELLY- STAIR AT BOBO HILL HEADQUARTERS JAMAICA.

It is an honor for I and I Royal Empresses of this the Ethiopia Africa Black International Congress Woman Freedom League (EABICWFL) alongside the royal Priests, Prophets, Princes and Princesses of the EABIC to pay tribute to our dearly beloved sister. Hon. Empress Sharon was born on the 7th of April 1950. The former Principal of the Fern Court High School, St. Ann, Jamaica, she guided students to success through education. In 1993 and 1994 she visited the Congress seeking the Rastafari way of life through the Bobo Shanti Order. After receiving comforting words of encouragement, words of love and life, from royal Priests, Prophets, Empresses, as well as understanding the words and works of our beloved Father, the Black Christ King Emmanuel Charles Edwards; she returned to the Foundation and resided in the year 2000.

Empress Sharon was greatly afflicted prior to coming to the remembrance of herself through the Black Christ in Flesh. However, through the divine teachings of Black Supremacy, she was healed with joy and gladness filling her heart. I and I sincerely give thanks for her 22 years of good balance within the Church and State and the love for righteousness of salvation that renewed her soul in life. Because of her educational ability, she was appointed by Priest Trevor Denton (Tall T), as one of EABIC'S Secretary (after the year 2000). In this role she was responsible for drafting documents of agitation that were handed to Parliament Members of the Jamaican government, their internal mailbag and mailed other documents to the United Nations. She spent many years in our government office, agitating for international repatriation by way of letter writing and utilized her educational connections to push matters frequently. Hon. Empress Sharon assisted in revising and formatting celebration documents and distributing them in town amongst the poor and have nots. In her earlier days at the Foundation, she educated many of the youth and taught them to read in a little school she conducted from her gates.

Empress Sharon worked with other teachers and educators in organizing school/university visits to Bobo Hill in order for students to learn about the Rastafari Culture through the teachings of our Leader the RT Hon. King Emmanuel. At the Foundation, Empress Sharon was responsible for giving strength to washing and cleaning for several Priests and all universal areas. She among other Congress Members were often the contact person for many national and international visitors who were interested in visiting or obtaining information about the Foundation. The Priests often depended on Empress Sharon to make runs to town in order to copy documents and laminate important information for them. She was often trusted by many international WFL members with money to contribute to the Empress League Fund. On Wednesday Night House Reasoning, the Empress was responsible for verbally reading the minutes from the previous meetings. She was also appointed to take current House Reasoning and Parliament meeting minutes.

Hon. Empress Sharon was always in every Sabbath Service, frequented Friday Night Service and attended Roll Call Service several times a week. Because the Hon. Empress was a free Empress, she would be the one responsible for ushering and accompanying female guests (and their children) through the gatehouse, teaching them the appropriate protocols when entering the congress and preparation for the Sabbath. When Priests were crowned, she was present and gave the blessing of the WFL to all who were newly crowned.

After loosing her hearing, she was removed from her office duties by Priest Bailey and took up Ministering Angel duties ministering to her sisters in house who were on their 21 days Monthly Purification Journey.

In her life time, she found stability and support, and used her influence to help less fortunate students to enter in the Jamaica Primary, and Junior High School's system, as well as High School and University levels. Well done Royal Goddess the Woman League of the Bobo Shanti community internationally, glorify her time with us and express gratitude for her most honorable contribution to the EABIC Government, Rastafari community at large, Africans at home and abroad.

We the Royal Empresses of the WFL, give thanks for her expression of life and for the impact she made in the Jamaica Education System, and especially to the Rastafari Bobo Shanti government/salvation order in Black Supremacy Divinity.

We close with seven words of love **"Jah is Love Let Us All Love."**
